### St Therese 'the Little Flower'

#### Feast Day 1st October

St. Therese, Flower of fervor and love, please intercede for us. Fill our hearts with your pure love of God. As we approach and celebrate your feast day, make us more aware of the goodness of God and how well He tends His garden. Instill in us your little way of doing ordinary things with extra-ordinary love. Give us the heart of a child who wonders at life and embraces everything with loving enthusiasm. Teach us your delight in God's ways so that divine charity may blossom in our hearts. Little Flower of Jesus, bring our petitions (mention in silence here) before God, our Father. With your confidence, we come before Jesus as God's children, because you are our heavenly friend. As we celebrate the Feast Day of your homecoming in heaven, continue to shower roses and grace upon us. Amen

**SEEKING YOU HELP AND COPPER:** The good news is spreading. Mary's Meals are now feeding 2,058,099 children every school day. It is a wonderful moment in our development but our work has just begun. To help us feed even more children, Mary's Meals in Ireland are going to try and feed all the children for one day. This is on top of our normal fundraising. Therefore we need 2,058,099 multiplied by nine cents as it cost nine cents per meal. So we are appealing to you for your old copper coins that are lying around the house and car. Many people have a jug, jam jar or tin that contains their loose coins. You don't even need to count it. We are willing to collect it from you if you are willing to donate it. Please phone Fr Kelly on 0879077985 and he will organise one of our volunteers to help you feed the little children. We are also glad to take old punts and sterling notes and coins. Thank you for all your help and prayers over the years.

**COVID-19 Support Line for Older People:** ALONE manage a national support line and additional supports for older people who have concerns or are facing difficulties relating to COVID-19 (Coronavirus). Professional staff are available to answer queries and give advice and reassurance where necessary. The support line is open seven days a week, 8am - 8pm, by calling 0818 222 024.
