Prayer for the Environment

God our Father, Your Son Jesus took images from plant and animal life to teach us about your Kingdom in heaven and His mission of mercy in history. With the help of the Holy Spirit, who hovered over the cosmos at creation, may we appreciate the beauty act temperately to protect the environment and to prudently preserve the resources of the earth, promoting peace and justice among peoples all over the planet. May the intercession of Mary, mother of the church, and inspiration of Saint Francis, impel us to collaborate inter-religiously and work with all who wish for a cleaner and better world, for the common good and glory of God.
