Everything I need to know about life I learned from Noah's Ark: Don't Miss the Boat. Remember we are all in the same boat Plan ahead, it wasn't raining when Noah built his Ark. Stay fit, when you are 95 years old someone may ask you to do something really big. Don't listen to critics, just get on with the job that needs to be done. Build your future on high ground. For safety sake travel in pairs. Speed isn't always an advantage, the snails were on board with the Cheetahs. When you are stressed, float for a while. Remember the Ark was built by amateurs, the Titanic by professionals. No matter the storm, when you are with God, there's always a rainbow waiting.

Eternal rest grant unto them, O Lord, And let perpetual light shine upon them. May they rest in peace. Amen. Ar dheis Dé dá n-anamacha dhílis.
